R. Krishnaswamy Rau represents that Parpatthegar Ramanna has made a report to him stating that in pursuance of Govt order, the accounts of the Charities have since been closed, that Bhattram and Temple servants have not been paid for July and August last, that as provisions are not being supplied to the Bhattram, feeling has ceased in it, and that Temple doors are closed and no worship is being conducted in it for 4 or 5 days past

The petr states that all this has lowered him in the estimation of the public and requests that orders may be immediately issued directing the restoration to him of the endowments of his father's charities. The Parpatthegars report has also been received in original with the petition

Subject to reconsideration after
Report on the extension of mining by the appli-
cant.

I was aware of this order when I submitted
for order file No 701 of 1908 J. I thought that Govt. would
have assumed this to be implied on account of
applicants' mining and that therefore this
proposal should be made on the
Govt form being attached to the proposal
for the grant of a mining lease may
not be referred further consideration.

In this circumstances the draft letter
